

Re: "The Perfect Wedding"

"Sal, working with you was a great pleasure. The level of your professionalism, your wit, class, and spirit surpassed anything I brought to the party. Hang in there, my friend. 20 years is a substantial investment. You're talented, dedicated, and hard working. All you need now is some luck. But keep in mind the words of Thomas Edison: 'I'm a firm believer in luck, and I've found that the harder I work, the luckier I get.' "
